## PRESS RELEASE

---

April 13<sup>th</sup>, 2018

### SAINT-GOBAIN ACQUIRES MICRO HYDRAULICS PHARMA BUSINESS

Saint-Gobain has acquired the pharmaceutical business of Micro Hydraulics, an Irish based supplier and manufacturer of single-use fluid handling components and systems in high-performance plastics for high purity applications in the pharmaceutical and biopharmaceutical industries.

It will strengthen Saint-Gobain's High-Performance Materials Activity, allowing the Group to expand its service and product offering and enhance its local presence for customers in the Healthcare market.

This acquisition is in line with the Group's strategy to develop new adjacent technological niches in fast-growing markets.

#### ABOUT SAINT-GOBAIN

Saint-Gobain designs, manufactures and distributes materials and solutions which are key ingredients in the wellbeing of each of us and the future of all. They can be found everywhere in our living places and our daily life: in buildings, transportation, infrastructure and in many industrial applications. They provide comfort, performance and safety while addressing the challenges of sustainable construction, resource efficiency and climate change.

**€40.8 billion in sales in 2017**

**Operates in 67 countries**

**More than 179,000 employees**
