## ENGIE statement

Following recent speculation concerning an intention by ENGIE to launch a takeover bid over the shares issued by EDP Renováveis and upon request of the Portuguese market authority (CMVM), ENGIE clarifies that as one of the major European utility companies with worldwide operations, it is constantly assessing investment opportunities.

That said, ENGIE has not taken any decision in relation to EDPR and currently is not preparing the launching of any takeover bid over shares issued by EDP Renováveis, S.A.
