## **AXA S.A. announces the pricing of a Secondary Offering of AXA Equitable Holdings, Inc.'s Common Stock**

AXA S.A. (“AXA”) announces today the pricing of a secondary public offering of 60,000,000 shares (the “Offering”) of its U.S. subsidiary, AXA Equitable Holdings, Inc. (“EQH”), at a public offering price of USD 20.25 per share, corresponding to approximately USD 1.2 billion of net proceeds<sup>1</sup>. The Offering consists of shares of common stock of EQH to be sold by AXA, as selling stockholder, and is expected to close on November 20, 2018. AXA has granted the underwriters a 30-day option to purchase up to an additional 9,000,000 shares of common stock. This represents an overall upsizing in the Offering of 10,000,000 shares and 1,500,000 option shares granted to the underwriters.

In addition to the Offering, AXA has entered into a share repurchase agreement with EQH pursuant to which AXA will sell to EQH 30,000,000 shares of EQH’s common stock (the “Share Buyback”), corresponding to approximately USD 0.6 billion of proceeds<sup>2</sup>. The Share Buyback is subject to certain terms and conditions, including the successful completion of the Offering.

Upon completion of the Offering and the Share Buyback, and assuming the underwriters exercise in full their option to purchase additional shares of common stock, total net proceeds to AXA would be approximately USD 2.0 billion and AXA’s ownership of EQH’s common stock would decrease from approximately 72.2%<sup>3</sup> to approximately 57.5%<sup>3</sup>.

J.P. Morgan, Morgan Stanley and Citigroup are acting as joint lead book-running managers and underwriters for the Offering. Barclays, BNP Paribas, Credit Agricole CIB, Goldman Sachs & Co. LLC, HSBC, Natixis, Societe Generale, BBVA, ING, and UniCredit Capital Markets are acting as joint book-running managers and underwriters for the Offering. Lazard is acting as financial advisor to AXA in connection with the Offering.

A registration statement relating to the Offering has been filed by EQH with, and declared effective by, the U.S. Securities and Exchange Commission.
